

The Great British Christmas BROCHURE

by Eden Caterers

Eden Caterers

Unwrap the perfect Christmas with our Packages for 2021.

What is Christmas about? When we think of Christmas, we think of friends, family, fun, laughter, nostalgia and, of course, food. So this year, we're doing what we do best and have created a Great British Christmas Menu, celebrating British produce, cooked fresh by our charming chefs, dropped off by our friendly delivery drivers, and devoured by you, enveloped in Christmas spirit.

Everything on this menu is from the land we love, Great Britain. Real, homemade, local, sustainable food from farms we trust, suppliers we're friends with and it's all utterly delicious. The essence of Christmas.

We look forward to celebrating with you!

Merry Christmas,
Love From
